## Subject Index

### Abdomen

combined suction-assisted lipectomy, surgical lipectomy, and surgical abdominoplasty (Oosterhout); (invited comment) [Lewis] 1990;24:126

### Abdominal wall

microsurgical transfer of the rectus abdominis muscle using the superior epigastric vessels (Canales et al) 1990; 24:534 (Case report)

### Adipose tissue, transplantation

syringe aspiration and fat concentration: a simple technique for autologous fat injection (Carraway and Mel-low); (invited comment) [Ellenbogen] 1990;24:293 (Case report)

### Aged

psychological considerations in the elderly cosmetic surgery candidate (Napoleon and Lewis) 1990;24:165 (Overview)

### Allen test

results of the Allen test on 2,940 arms (Hosokawa et al) 1990;24:149

### Ambulatory surgery

early experience with high thoracic epidural anesthesia in outpatient submuscular breast augmentation (Nesmith et al); (invited comment) [Brodsky] 1990;24:299

### Amputation, traumatic

successful replantation of a totally amputated ear (Sadove) 1990;24:366 (Case report)

### Anastomosis, surgical

avulsion of the scalp: which one is the best artery for anastomosis? (Sakai et al) 1990;24:350 (Case report)

large vascular plexiform neurofibroma of scalp: excision and coverage with free tissue transfer (Chowdary and Little) 1990;24:75 (Case report)

use of vein-patch angioplasty in microvascular tissue transfers (Chowdary et al) 1990;24:289 (Case report)

### Anesthesia, epidural

early experience with high thoracic epidural anesthesia in outpatient submuscular breast augmentation (Nesmith et al); (invited comment) [Brodsky] 1990;24:299

### Angiosarcoma. See Hemangiosarcoma

### Ankle joint

ankle instability of the donor site following removal of vascularized fibula bone graft (Ganel and Yaffe) 1990; 24:7

### Arteries

washout of vessels with heparin does not improve patency following severe microarterial trauma: an experimental study (Wieslander and Dougan) 1990;24:216

### Arteries, transplantation. See Flaps, arterial

### Atherosclerosis

pedicled free flaps: indications in complex reconstruction (Brennan et al) 1990;24:420

### Autograft. See Transplantation, autologous

### Blepharochalasis. See Cutis laxa

### Blepharoplasty. See Eyelids

### Blinking

electrophysiological study of the denervated orbicularis oculi muscle in dogs (Salerno et al) 1990;24:24

### Blood flow velocity

improvement in blood flow and diameter of the postanastomotic rat tail artery by topical application of lidocaine in varying concentrations (Beekman et al) 1990;24:248

### Bone and bones, transplantation

ankle instability of the donor site following removal of vascularized fibula bone graft (Ganel and Yaffe) 1990; 24:7

microvascular soft tissue reconstruction for acute tibial fractures—late complications and the role of bone grafting (Peat and Liggins) 1990;24:517

### Bone diseases

ankle instability of the donor site following removal of vascularized fibula bone graft (Ganel and Yaffe) 1990; 24:7

### Bone lengthening

bone lengthening in the craniofacial skeleton (Karp et al) 1990;24:231

### Book critiques

*Aesthetic Surgery of the Aging Face*, by Beeson and McCollough (Zarem) 1990;24:546

*Aging and the Skin*, edited by Balin and Kligman (Vistnes) 1990;24:99

*An Atlas of Head and Neck Surgery, Third Edition*, by Loré Jr (Goode) 1990;24:195

*Current Therapy in Plastic and Reconstructive Surgery: Head and Neck (Volume 1)*, edited by Marsh (Capozzi) 1990;24:298

*Current Therapy in Plastic and Reconstructive Surgery—Trunk and Extremities*, edited by Marsh (Rose) 1990; 24:542

*Dermabrasion and Chemical Peel*, by McCollough and Langsdon (Courtiss) 1990;24:298

*Facial Fractures*, edited by Habal and Ariyan (Schendel) 1990;24:543

*Instructional Courses, Volume 1, 1988*, edited by Johnson et al (Abemayor) 1990;24:195

*Internal Fixation of the Mandible*, by Spiessl (Kauffman) 1990;24:541

January issue, pp 1-100; February issue, pp 101-196; March issue, pp 197-298; April issue, pp 299-384; May issue, pp 385-468; June issue, pp 469-561.

**Book critiques (continued)**

- La Rhinoplastie Esthétique (Aesthetic Rhinoplasty)*, by Aiach and Levignac [Wolfe] 1990;24:545  
*Reconstructive and Aesthetic Mammoplasty*, by Guthrie Jr and Schwartz [Waters] 1990;24:544  
*Scientific Foundations and Surgical Treatment of Craniosynostosis*, edited by Persing, Edgerton, and Jane [Schendel] 1990;24:547  
*Socioeconomics of Surgery*, by Rutkow [Pearl] 1990;24:194  
*Surgical Management of Soft Tissue Sarcoma*, by Shiu and Brennan [Larson] 1990;24:545  
*Tissue Transfers in Reconstructive Surgery*, by Smet [Furnas] 1990;24:548

**Breast**

- correction of breast ptosis with the expander mammary prosthesis [Becker and van Leeuwen] 1990;24:489  
 early experience with high thoracic epidural anesthesia in outpatient submuscular breast augmentation [Nesmith et al]; (invited comment) [Brodsky] 1990;24:299  
 fate of soluble steroids within breast prostheses in humans [Morykwas et al] 1990;24:427  
 intraluminal cyclosporine A reduces capsular thickness around silicone implants in rats [Stark et al] 1990;24:156  
 lesion of the long thoracic nerve during transaxillary breast augmentation: an unusual complication [Laban and Kon] 1990;24:445 (Case report)  
 nipple-areola transposition by the superolateral-rotation pedicle technique in reduction mammoplasty: surgical description [Blomqvist and Alberius] 1990;24:475  
 nipple centralization for the correction of breast deformity from segmental mastectomy [Kroll and Doores] 1990;24:271 (Case report)  
 psychological preparation of the patient for breast reconstruction [Matheson and Drever] 1990;24:238  
 surgical correction of breast deformities following long-lasting complications of polyurethane-covered implants [Berrino et al] 1990;24:481  
 technique for valve placement in breast reconstruction using tissue expanders [Paul] 1990;24:378 (Gadgetry)  
 textured silicone and capsule contracture [Caffee] 1990;24:197

**Bronchial fistula**

- microvascular free muscle flaps for chronic empyema with bronchopleural fistula when the major local muscles have been divided—one-stage operation with primary wound closure [Chen et al] 1990;24:510

**Burns**

- basal cell burn carcinoma [Stromberg et al] 1990;24:186 (Case report)  
 darts musculocutaneous island flap in urethral reconstruction [Kenney et al] 1990;24:63 (Case report)  
 single-donor fibrin glue for hand burns [Stuart et al] 1990;24:524

**Buttocks**

- buried inferiorly based gluteus maximus musculocutaneous flap for reconstruction of large, recurrent ischiopubic pressure sores [Wey et al] 1990;24:283 (Case report) experience with the island inferior gluteal thigh flap compared with other local flaps for the reconstruction of the pelvic area [Rosen et al] 1990;24:498  
 sliding plication gluteus maximus musculocutaneous flap for reconstruction of sacrococcygeal wounds [Ramirez] 1990;24:223

**Calcaneus**

- distally based lateral calcaneal flap [Ishikawa et al] 1990;24:10

**Calcium channel blockers**

- increased survival length of experimental flap by calcium antagonist nifedipine [Hira et al] 1990;24:45

**Carbon dioxide laser surgery. See Laser surgery****Carcinoma, basal cell**

- basal cell burn carcinoma [Stromberg et al] 1990;24:186 (Case report)

- long-term survival following nodal metastases from basal cell carcinoma [Raszewski and Guyuron] 1990;24:170 (Case report)

**Cartilage, transplantation**

- use of cartilage graft for an orbital socket implant [Carraway et al] 1990;24:139

**Case reports**

- acute *Pseudomonas* chondritis as a sequel to ear piercing [Turkeltaub and Habal] 1990;24:279

- angiosarcoma of the face and scalp [Liu et al] 1990;24:68 avulsion of the scalp: which one is the best artery for anastomosis? [Sakai et al] 1990;24:350

- basal cell burn carcinoma [Stromberg et al] 1990;24:186

- buried inferiorly based gluteus maximus musculocutaneous flap for reconstruction of large, recurrent ischiopubic pressure sores [Wey et al] 1990;24:283

- conjoint extensor digitorum brevis muscle and dorsalis pedis osteocutaneous island flap [Hallock] 1990;24:371

- darts musculocutaneous island flap in urethral reconstruction [Kenney et al] 1990;24:63

- forearm free flap based on an occluded radial artery: its salvage and avoidance [Chang and Mahoney] 1990;24:455

- infection following cranial bone grafting—a need for caution? [Lewis Jr et al] 1990;24:276

- injection of ilicic drugs into the granulation tissue of chronic ulcers [Abidin et al] 1990;24:268

- large vascular plexiform neurofibroma of scalp: excision and coverage with free tissue transfer [Chowdary and Little] 1990;24:75

- lesion of the long thoracic nerve during transaxillary breast augmentation: an unusual complication [Laban and Kon] 1990;24:445

liposuction of giant lipoma [Nichter and Gupta] 1990, 24:362  
long-term survival following nodal metastases from basal cell carcinoma [Raszewski and Guyuron] 1990, 24:170  
malignant degeneration of dermal cylindroma [Hammond et al] 1990, 24:176  
massive foreign body impalement of the shoulder and chest wall [Rose] 1990, 24:451  
microsurgical transfer of the rectus abdominis muscle using the superior epigastric vessels [Canales et al] 1990, 24:534  
nipple centralization for the correction of breast deformity from segmental mastectomy [Kroll and Doores] 1990, 24:271  
open reduction and interfragment wire fixation of comminuted nasal fractures [Kurihara and Kim] 1990, 24:179  
parotid salivary fistula following rhytidectomy [Bansberg and Krugman] 1990, 24:61  
polyurethane nipple prosthesis [Hallock] 1990, 24:80  
reimplantation of scalp [Juri et al] 1990, 24:354  
scrotal reconstruction following Fournier's gangrene using the medial thigh fasciocutaneous flap [Hallock] 1990, 24:86  
scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990, 24:49  
successful replantation of a totally amputated ear [Sadove] 1990, 24:366  
suprapopliteal flap [Satoh et al] 1990, 24:459  
susceptibility to tourniquet-induced radial palsy in the presence of previous humeral fracture [Kurihara and Goto] 1990, 24:346  
syringe aspiration and fat concentration: a simple technique for autologous fat injection [Carraway and Mellow]; (invited comment) [Ellenbogen] 1990, 24:293  
treatment of orthognathic problems related to scleroderma [Thaller and Kawamoto] 1990, 24:528  
treatment of tattoos with pure epidermal sheet grafting [Hosokawa et al] 1990, 24:53  
treatment of webbed neck in Turner's syndrome with tissue expansion [Miller et al] 1990, 24:447  
use of vein-patch angioplasty in microvascular tissue transfers [Chowdary et al] 1990, 24:289

**Chest, injuries.** See **Thorax, injuries**

**Cleaning agents.** See **Detergents**

**Composite flaps.** See **Flaps, composite**

**Correction**

treatment of bilateral axillary hyperhidrosis by suction-assisted lipolysis technique [Shenaq and Spira] (1987; 19:548) 1990, 24:212

**Cranium.** See **Skull**

**Cutaneous flaps.** See **Flaps, skin**

**Cutis laxa**

carbon dioxide laser blepharoplasty—advantages and disadvantages [Mittelman and Apfelberg] 1990, 24:1

**Cyclosporins**

intraluminal cyclosporine A reduces capsular thickness around silicone implants in rats [Stark et al] 1990, 24:156

**Cylindroma**

malignant degeneration of dermal cylindroma [Hammond et al] 1990, 24:176 (Case report)

**Decubitus ulcer**

buried inferiorly based gluteus maximus musculocutaneous flap for reconstruction of large, recurrent ischiopubic pressure sores [Wey et al] 1990, 24:283 (Case report)

**Degreasing compounds.** See **Detergents**

**Dermabrasion**

treatment of tattoos with pure epidermal sheet grafting [Hosokawa et al] 1990, 24:53 (Case report)

**Detergents**

toxicity of cleaning agents for removal of grease from wounds [Thompson et al] 1990, 24:40

**Diabetes mellitus**

hand infections in the diabetic and the diabetic renal transplant recipient [Francel et al] 1990, 24:304

**Dispase**

treatment of tattoos with pure epidermal sheet grafting [Hosokawa et al] 1990, 24:53 (Case report)

**Doppler velocimeters.** See **Flowmeters**

**Drainage**

nylon threads used as drains in free skin grafting [Nakayama and Soeda] 1990, 24:91 (Gadgetry)

**Drainage suction.** See **Suction**

**Drug abuse.** See **Substance abuse**

**Ear**

acute *Pseudomonas* chondritis as a sequel to ear piercing [Turkeltaub and Habal] 1990, 24:279 (Case report)

cleft earlobe repair [Fearon and Cuadros] 1990, 24:252

effects of ischemia on ulcer wound healing: a new model in the rabbit ear [Ahn and Mustoe] 1990, 24:17

evaluation of porous polyethylene for external ear reconstruction [Shanbhag et al] 1990, 24:32

successful replantation of a totally amputated ear [Sadove] 1990, 24:366 (Case report)

**Ear cartilages**

acute *Pseudomonas* chondritis as a sequel to ear piercing [Turkeltaub and Habal] 1990, 24:279 (Case report)

**Elderly.** See **Aged**

**Empyema**

microvascular free muscle flaps for chronic empyema with bronchopleural fistula when the major local muscles have been divided—one-stage operation with primary wound closure [Chen et al] 1990, 24:510

**Enucleation.** See **Eye enucleation**

**Epidural anesthesia.** See **Anesthesia, epidural**

***Escherichia coli***

in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

**Eyebrows**

partial eyebrow reconstruction using subcutaneous pedicle flaps to preserve the natural hair direction [Kasai and Ogawa] 1990;24:117

**Eye enucleation**

use of cartilage graft for an orbital socket implant [Carraway et al] 1990;24:139

**Eyelids**

carbon dioxide laser blepharoplasty—advantages and disadvantages [Mittelman and Apfelberg] 1990;24:1

re: Doermann et al: V-Y advancement flaps for tumor excision defects of the eyelids [Peled] 1990;24:384 [Letter]

re: V-Y advancement flaps for tumor excision defects of the eyelids [Field] [Letter]; [Zook] [Reply] 1990;24:467

**Eye movements**

electrophysiological study of the denervated orbicularis oculi muscle in dogs [Salerno et al] 1990;24:24

**Face, abnormalities**

dome truncation for management of the overprojected nasal tip [Kridel and Konior] 1990;24:385

port wine stain: distribution patterns on the face and neck [Ohtsuka] 1990;24:409

treatment of orthognathic problems related to scleroderma [Thaller and Kawamoto] 1990;24:528 [Case report]

**Face lift. See Rhytidoplasty**

**Facial bones**

bone lengthening in the craniofacial skeleton [Karp et al] 1990;24:231

**Facial neoplasms**

angiosarcoma of the face and scalp [Liu et al] 1990;24:68 [Case report]

**Facial paralysis**

electrophysiological study of the denervated orbicularis oculi muscle in dogs [Salerno et al] 1990;24:24

**Fasciocutaneous flaps. See Flaps, fasciocutaneous**

**Fat grafts. See Adipose tissue, transplantation**

**Fibrin glue. See Fibrin tissue adhesive**

**Fibrin tissue adhesive**

single-donor fibrin glue for hand burns [Stuart et al] 1990;24:524

**Fibula**

ankle instability of the donor site following removal of vascularized fibula bone graft [Ganel and Yaffe] 1990;24:7

**Flaps, arterial**

forearm free flap based on an occluded radial artery: its salvage and avoidance [Chang and Mahoney] 1990;24:455 [Case report]

suprapopliteal flap [Satoh et al] 1990;24:459 [Case report]

**Flaps, composite**

conjoint extensor digitorum brevis muscle and dorsalis

pedis osteocutaneous island flap [Hallock] 1990;24:371 [Case report]

reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328

**Flaps, cutaneous. See Flaps, skin**

**Flaps, fasciocutaneous**

lateral geniculate artery flap [Hayashi and Maruyama] 1990;24:310

nonmicrosurgical transfer of the radial forearm flap for head and neck reconstruction [Govila] 1990;24:109

scrotal reconstruction following Fournier's gangrene using the medial thigh fasciocutaneous flap [Hallock] 1990;24:86 [Case report]

use of free fasciocutaneous and muscle flaps for reconstruction of the foot [Wyble et al] 1990;24:101

**Flaps, island**

conjoint extensor digitorum brevis muscle and dorsalis pedis osteocutaneous island flap [Hallock] 1990;24:371 [Case report]

dartos musculocutaneous island flap in urethral reconstruction [Kenney et al] 1990;24:63 [Case report]

experience with the island inferior gluteal thigh flap compared with other local flaps for the reconstruction of the pelvic area [Rosen et al] 1990;24:498

external monitoring of vascularized jejunum transfers using laser Doppler flowmetry [Hallock and Koch] 1990;24:213

heel and foot reconstruction using reverse-flow posterior tibial flap [Satoh et al] 1990;24:318

nonmicrosurgical transfer of the radial forearm flap for head and neck reconstruction [Govila] 1990;24:109

reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328

scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990;24:49 [Case report]

**Flaps, muscle**

large vascular plexiform neurofibroma of scalp: excision and coverage with free tissue transfer [Chowdary and Little] 1990;24:75 [Case report]

microsurgical transfer of the rectus abdominis muscle using the superior epigastric vessels [Canales et al] 1990;24:534 [Case report]

microvascular free muscle flaps for chronic empyema with bronchopleural fistula when the major local muscles have been divided—one-stage operation with primary wound closure [Chen et al] 1990;24:510

microvascular soft tissue reconstruction for acute tibial fractures—late complications and the role of bone grafting [Peat and Liggins] 1990;24:517

use of free fasciocutaneous and muscle flaps for reconstruction of the foot [Wyble et al] 1990;24:101

**Flaps, musculocutaneous**

anatomy of the subscapular artery and its effects on flap design in the rabbit [Angel et al] 1990;24:152

buried inferiorly based gluteus maximus musculocutaneous flap for reconstruction of large, recurrent ischiopubic pressure sores [Wey et al] 1990;24:283 (Case report)  
dartos musculocutaneous island flap in urethral reconstruction [Kenney et al] 1990;24:63 (Case report)  
sliding plication gluteus maximus musculocutaneous flap for reconstruction of sacrococcygeal wounds [Ramirez] 1990;24:223

**Flaps, pedicle**  
heel and foot reconstruction using reverse-flow posterior tibial flap [Satoh et al] 1990;24:318  
microsurgical transfer of the rectus abdominis muscle using the superior epigastric vessels [Canales et al] 1990; 24:534 (Case report)  
nipple-areola transposition by the superolateral-rotation pedicle technique in reduction mammoplasty: surgical description [Blomqvist and Alberius] 1990;24:475  
partial eyebrow reconstruction using subcutaneous pedicle flaps to preserve the natural hair direction [Kasai and Ogawa] 1990;24:117  
pedicled free flaps: indications in complex reconstruction [Brennan et al] 1990;24:420  
reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328  
suprapopliteal flap [Satoh et al] 1990;24:459 (Case report)

**Flaps, skin**  
distally based lateral calcaneal flap [Ishikawa et al] 1990; 24:10  
increasing flap survival: a new method [Zhi-Xiang et al] 1990;24:414  
microvascular soft tissue reconstruction for acute tibial fractures—late complications and the role of bone grafting [Peat and Liggins] 1990;24:517  
pH-balanced solutions with superoxide dismutase (SOD): an attempt to increase island groin flap survival in rats [Sagi et al] 1990;24:521  
re: Ohlsén: closure of nasal septal perforation with a cutaneous flap and a perichondrocutaneous graft [Matton] 1990;24:98 (Letter)  
reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328  
scalp reconstruction by microvascular free tissue transfer [Furnas et al] 1990;24:431  
scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990;24:49 (Case report)

**Flaps, subcutaneous**  
partial eyebrow reconstruction using subcutaneous pedicle flaps to preserve the natural hair direction [Kasai and Ogawa] 1990;24:117  
re: Doermann et al: V-Y advancement flaps for tumor excision defects of the eyelids [Peled] 1990;24:384 (Letter)  
re: V-Y advancement flaps for tumor excision defects of the eyelids [Field] (Letter), [Zook] (Reply) 1990;24:467

#### Flowmeters

external monitoring of vascularized jejunum transfers using laser Doppler flowmetry [Hallock and Koch] 1990; 24:213

#### Foot

conjoint extensor digitorum brevis muscle and dorsalis pedis osteocutaneous island flap [Hallock] 1990;24:371 (Case report)  
distally based lateral calcaneal flap [Ishikawa et al] 1990; 24:10  
heel and foot reconstruction using reverse-flow posterior tibial flap [Satoh et al] 1990;24:318  
use of free fasciocutaneous and muscle flaps for reconstruction of the foot [Wyble et al] 1990;24:101

#### Forearm

forearm free flap based on an occluded radial artery: its salvage and avoidance [Chang and Mahoney] 1990; 24:455 (Case report)

#### Foreign bodies

massive foreign body impalement of the shoulder and chest wall [Rose] 1990;24:451 (Case report)

#### Fournier's gangrene. See Gangrene

#### Fracture fixation, internal

open reduction and interfragment wire fixation of comminuted nasal fractures [Kurihara and Kim] 1990;24:179 (Case report)

rigid internal fixation with miniplates and screws: a cost-effective technique for treating mandible fractures? [Thaller et al] 1990;24:469

#### Gadgets

accurate tip rhinoplasty marking technique [Moss] 1990; 24:538

better "sky hook" for hand elevation [Sunde and Pearl] 1990;24:189

nylon threads used as drains in free skin grafting [Nakayama and Soeda] 1990;24:91

simple suction drainage: an adjunct to septal surgery (Carraway and Mellow) 1990;24:191

simple technique for removal of a sharp, notched, impaled instrument [Gajiwala] 1990;24:96

technique for valve placement in breast reconstruction using tissue expanders [Paul] 1990;24:378

treatment of gynecomastia without sharp excision [Becker] 1990;24:380

#### Gangrene

scrotal reconstruction following Fournier's gangrene using the medial thigh fasciocutaneous flap [Hallock] 1990; 24:86 (Case report)

#### Genitalia

reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328

#### Gluteal region. See Buttocks

#### Goretex. See Polytetrafluoroethylene

- Graft rejection**  
in vitro adherence of bacteria to prosthetic grafting materials (Brewer and Stromberg) 1990;24:134
- Graft survival**  
increased survival length of experimental flap by calcium antagonist nifedipine (Hira et al) 1990;24:45  
increasing flap survival: a new method (Zhi-Xiang et al) 1990;24:414  
pH-balanced solutions with superoxide dismutase (SOD): an attempt to increase island groin flap survival in rats (Sagi et al) 1990;24:521  
single-donor fibrin glue for hand burns (Stuart et al) 1990;24:524  
use of cartilage graft for an orbital socket implant (Carraway et al) 1990;24:139
- Granulation tissue**  
injection of illicit drugs into the granulation tissue of chronic ulcers (Abidin et al) 1990;24:268 (Case report)
- Groin**  
reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap (Sun et al) 1990;24:328
- Gynecomastia**  
treatment of gynecomastia without sharp excision (Becker) 1990;24:380 (Gadgetry)
- Hair**  
partial eyebrow reconstruction using subcutaneous pedicle flaps to preserve the natural hair direction (Kasai and Ogawa) 1990;24:117
- Hand**  
better "sky hook" for hand elevation (Sunde and Pearl) 1990;24:189 (Gadgetry)  
conjoint extensor digitorum brevis muscle and dorsalis pedis osteocutaneous island flap (Hallock) 1990;24:371 (Case report)  
hand infections in the diabetic and the diabetic renal transplant recipient (Francel et al) 1990;24:304  
results of the Allen test on 2,940 arms (Hosokawa et al) 1990;24:149
- Hand injuries**  
better "sky hook" for hand elevation (Sunde and Pearl) 1990;24:189 (Gadgetry)  
single-donor fibrin glue for hand burns (Stuart et al) 1990;24:524
- Head injuries**  
infection following cranial bone grafting—a need for caution? (Lewis Jr et al) 1990;24:276 (Case report)  
nonmicrosurgical transfer of the radial forearm flap for head and neck reconstruction (Govila) 1990;24:109
- Heel**  
heel and foot reconstruction using reverse-flow posterior tibial flap (Satoh et al) 1990;24:318
- Hemangioma, cavernous**  
benefits of contact and noncontact YAG laser for periorbital hemangiomas (Apfelberg et al) 1990;24:397
- Hemangiosarcoma**  
angiosarcoma of the face and scalp (Liu et al) 1990;24:68 (Case report)
- Hematoma**  
nylon threads used as drains in free skin grafting (Nakayama and Soeda) 1990;24:91 (Gadgetry)
- Heparin**  
washout of vessels with heparin does not improve patency following severe microarterial trauma: an experimental study (Wieslander and Dougan) 1990;24:216
- Humeral fractures**  
susceptibility to tourniquet-induced radial palsy in the presence of previous humeral fracture (Kurihara and Goto) 1990;24:346 (Case report)
- Hydrogen-ion concentration**  
pH-balanced solutions with superoxide dismutase (SOD): an attempt to increase island groin flap survival in rats (Sagi et al) 1990;24:521
- Impalement. See Wounds, penetrating**
- Implants, artificial. See also Prosthesis**  
correction of breast ptosis with the expander mammary prosthesis (Becker and van Leeuwen) 1990;24:489  
evaluation of porous polyethylene for external ear reconstruction (Shanbhag et al) 1990;24:32
- intraluminal cyclosporine A reduces capsular thickness around silicone implants in rats (Stark et al) 1990;24:156
- polyurethane nipple prosthesis (Hallock) 1990;24:80 (Case report)
- submalar augmentation: a procedure to enhance rhytidectomy (Binder) 1990;24:200
- surgical correction of breast deformities following long-lasting complications of polyurethane-covered implants (Berrino et al) 1990;24:481
- textured silicone and capsule contracture (Caffee) 1990;24:197
- use of cartilage graft for an orbital socket implant (Carraway et al) 1990;24:139
- Infection**  
hand infections in the diabetic and the diabetic renal transplant recipient (Francel et al) 1990;24:304  
infection following cranial bone grafting—a need for caution? (Lewis Jr et al) 1990;24:276 (Case report)
- Injections, intravenous**  
injection of illicit drugs into the granulation tissue of chronic ulcers (Abidin et al) 1990;24:268 (Case report)
- Internal fracture fixation. See Fracture fixation, internal**
- Irrigation**  
increasing flap survival: a new method (Zhi-Xiang et al) 1990;24:414
- Ischemia**  
effects of ischemia on ulcer wound healing: a new model in the rabbit ear (Ahn and Mustoe) 1990;24:17
- Ischium**  
buried inferiorly based gluteus maximus musculocutane-

- ous flap for reconstruction of large, recurrent ischiopubic pressure sores (Wey et al) 1990;24:283 (Case report)
- Island flaps.** See Flaps, island
- Jejunum, transplantation**  
external monitoring of vascularized jejunum transfers using laser Doppler flowmetry (Hallock and Koch) 1990; 24:213
- Joint instability**  
ankle instability of the donor site following removal of vascularized fibula bone graft (Ganel and Yaffe) 1990; 24:7
- Keratinocytes**  
growth and adherence of xeroderma pigmentosum keratinocytes in vitro (Morykwas et al) 1990;24:342
- Kidney, transplantation**  
hand infections in the diabetic and the diabetic renal transplant recipient (Francel et al) 1990;24:304
- Knee**  
lateral genicular artery flap (Hayashi and Maruyama) 1990;24:310
- Laser surgery**  
benefits of contact and noncontact YAG laser for periorbital hemangiomas (Apfelberg et al) 1990;24:397

bone lengthening in the craniofacial skeleton (Karp et al) 1990;24:231  
treatment of orthognathic problems related to scleroderma (Thaller and Kawamoto) 1990;24:528 (Case report)
- Mandibular fractures**  
rigid internal fixation with miniplates and screws: a cost-effective technique for treating mandible fractures? (Thaller et al) 1990;24:469
- Mastectomy**  
early experience with high thoracic epidural anesthesia in outpatient submuscular breast augmentation (Nesmith et al); (invited comment) (Brodsky) 1990;24:299  
intraluminal cyclosporine A reduces capsular thickness around silicone implants in rats (Stark et al) 1990; 24:156  
psychological preparation of the patient for breast reconstruction (Matheson and Drever) 1990;24:238  
technique for valve placement in breast reconstruction using tissue expanders (Paul) 1990;24:378 (Gadgetry)
- Mastectomy, segmental**  
nipple centralization for the correction of breast deformity from segmental mastectomy (Kroll and Doores) 1990; 24:271 (Case report)
- Mental health**  
psychological considerations in the elderly cosmetic surgery candidate (Napoleon and Lewis) 1990;24:165 (Overview)
- Metastasis.** See Neoplasm metastasis
- Methylene blue**  
accurate tip rhinoplasty marking technique (Moss) 1990; 24:538 (Gadgetry)
- Methylprednisolone**  
fate of soluble steroids within breast prostheses in humans (Morykwas et al) 1990;24:427
- Microsurgery**  
role of microsurgery in modern surgery (O'Brien) 1990; 24:258 (Overview)  
use of vein-patch angioplasty in microvascular tissue transfers (Chowdary et al) 1990;24:289 (Case report)  
washout of vessels with heparin does not improve patency following severe microarterial trauma: an experimental study (Wieslander and Dougan) 1990;24:216

- Muscle denervation**  
electrophysiological study of the denervated orbicularis oculi muscle in dogs [Salerno et al] 1990;24:24
- Muscles, transplantation.** *See also Flaps, muscle*  
microsurgical transfer of the rectus abdominis muscle using the superior epigastric vessels [Canales et al] 1990; 24:534 (Case report)
- Musculocutaneous flaps.** *See Flaps, musculocutaneous*
- Nasal bone**  
dome truncation for management of the overprojected nasal tip [Kridel and Konior] 1990;24:385
- open reduction and interfragment wire fixation of comminuted nasal fractures [Kurihara and Kim] 1990;24:179 (Case report)
- Nasal septum**  
re: Ohlsén: closure of nasal septal perforation with a cutaneous flap and a perichondrocutaneous graft [Matton] 1990;24:98 (Letter)  
simple suction drainage: an adjunct to septal surgery [Carraway and Mellow] 1990;24:191 (Gadgetry)
- Neck**  
external monitoring of vascularized jejunum transfers using laser Doppler flowmetry [Hallock and Koch] 1990; 24:213  
nonmicrosurgical transfer of the radial forearm flap for head and neck reconstruction [Govila] 1990;24:109
- Neck, abnormalities**  
port wine stain: distribution patterns on the face and neck [Ohtsuka] 1990;24:409  
treatment of webbed neck in Turner's syndrome with tissue expansion [Miller et al] 1990;24:447 (Case report)
- Neoplasm metastasis**  
long-term survival following nodal metastases from basal cell carcinoma [Raszewski and Guyuron] 1990;24:170 (Case report)
- Neoplasms**  
re: V-Y advancement flaps for tumor excision defects of the eyelids [Field] (Letter); [Zook] (Reply) 1990;24:467
- Neurofibroma**  
large vascular plexiform neurofibroma of scalp: excision and coverage with free tissue transfer [Chowdary and Little] 1990;24:75 (Case report)
- Nevus**  
port wine stain: distribution patterns on the face and neck [Ohtsuka] 1990;24:409
- Nifedipine**  
increased survival length of experimental flap by calcium antagonist nifedipine [Hira et al] 1990;24:45
- Nipples**  
nipple-areola transposition by the superolateral-rotation pedicle technique in reduction mammoplasty: surgical description [Blomqvist and Alberius] 1990;24:475  
nipple centralization for the correction of breast deformity from segmental mastectomy [Kroll and Doores] 1990; 24:271 (Case report)
- Polyurethane nipple prosthesis** [Hallock] 1990;24:80 (Case report)
- Nose.** *See also Nasal entries*  
dome truncation for management of the overprojected nasal tip [Kridel and Konior] 1990;24:385
- Nylons**  
nylon threads used as drains in free skin grafting [Nakayama and Soeda] 1990;24:91 (Gadgetry)
- Obesity**  
combined suction-assisted lipectomy, surgical lipectomy, and surgical abdominoplasty [Oosterhout]; (invited comment) [Lewis] 1990;24:126
- Oculomotor muscles**  
electrophysiological study of the denervated orbicularis oculi muscle in dogs [Salerno et al] 1990;24:24
- Omentum, transplantation**  
scalp reconstruction by microvascular free tissue transfer [Furnas et al] 1990;24:431
- Orbicularis oculi muscle.** *See Oculomotor muscles*
- Orbicularis oculi reflex.** *See Blinking*
- Osteomyelitis**  
infection following cranial bone grafting—a need for caution? [Lewis Jr et al] 1990;24:276 (Case report)
- Outpatient surgery.** *See Ambulatory surgery*
- Overview**  
psychological considerations in the elderly cosmetic surgery candidate [Napoleon and Lewis] 1990;24:165  
role of microsurgery in modern surgery [O'Brien] 1990; 24:258
- Paraneurofibroma.** *See Neurofibroma*
- Parotid gland**  
parotid salivary fistula following rhytidectomy [Bansberg and Krugman] 1990;24:61 (Case report)
- Pedicle flaps.** *See Flaps, pedicle*
- Pelvis**  
experience with the island inferior gluteal thigh flap compared with other local flaps for the reconstruction of the pelvic area [Rosen et al] 1990;24:498
- Penetrating wounds.** *See Wounds, penetrating*
- Perfusion**  
effects of ischemia on ulcer wound healing: a new model in the rabbit ear [Ahn and Mustoe] 1990;24:17
- improvement in blood flow and diameter of the postanastomotic rat tail artery by topical application of lidocaine in varying concentrations [Beckman et al] 1990;24:248
- Perineum**  
reconstruction of the external genitals and repair of skin defects of the perineal region using three types of lateral groin flap [Sun et al] 1990;24:328  
scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990;24:49 (Case report)
- Polyethylenes**  
evaluation of porous polyethylene for external ear reconstruction [Shanbhag et al] 1990;24:32

**Polytetrafluoroethylene**

in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

**Polyurethanes**

polyurethane nipple prosthesis [Hallock] 1990;24:80 (Case report)

surgical correction of breast deformities following long-lasting complications of polyurethane-covered implants [Berrino et al] 1990;24:481

**Popliteal artery**

suprapopliteal flap [Satoh et al] 1990;24:459 (Case report)

**Port wine stain. See Nevus**

**Proplast**

in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

**Prostaglandin E**

increased survival length of experimental flap by calcium antagonist nifedipine [Hira et al] 1990;24:45

**Prosthesis. See also Implants, artificial**

correction of breast ptosis with the expander mammary prosthesis [Becker and van Leeuwen] 1990;24:489

fate of soluble steroids within breast prostheses in humans [Morykwas et al] 1990;24:427

in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

polyurethane nipple prosthesis [Hallock] 1990;24:80 (Case report)

technique for valve placement in breast reconstruction using tissue expanders [Paul] 1990;24:378 (Gadgery)

use of cartilage graft for an orbital socket implant [Carraway et al] 1990;24:139

**Pseudomonas**

acute *Pseudomonas* chondritis as a sequel to ear piercing [Turkeltaub and Habal] 1990;24:279 (Case report)

**Radial forearm free flap. See Flaps, arterial**

**Radial nerve**

susceptibility to tourniquet-induced radial palsy in the presence of previous humeral fracture [Kurihara and Goto] 1990;24:346 (Case report)

**Reimplantation. See Replantation**

**Replantation**

reimplantation of scalp [Juri et al] 1990;24:354 (Case report)

successful replantation of a totally amputated ear [Sadove] 1990;24:366 (Case report)

**Rhinoplasty**

accurate tip rhinoplasty marking technique [Moss] 1990; 24:538 (Gadgery)

dome truncation for management of the overprojected nasal tip [Kridel and Konior] 1990;24:385

**Rhytidectomy. See Rhytidoplasty**

**Rhytidoplasty**

parotid salivary fistula following rhytidectomy [Bansberg and Krugman] 1990;24:61 (Case report)

submalar augmentation: a procedure to enhance rhytidectomy [Binder] 1990;24:200

**Sacrococcygeal region**

sliding plication gluteus maximus musculocutaneous flap for reconstruction of sacrococcygeal wounds [Ramirez] 1990;24:223

**Salivary gland fistula**

parotid salivary fistula following rhytidectomy [Bansberg and Krugman] 1990;24:61 (Case report)

**Scalp**

angiosarcoma of the face and scalp [Liu et al] 1990;24:68 (Case report)

avulsion of the scalp: which one is the best artery for anastomosis? [Sakai et al] 1990;24:350 (Case report)

large vascular plexiform neurofibroma of scalp: excision and coverage with free tissue transfer [Chowdary and Little] 1990;24:75 (Case report)

reimplantation of scalp [Juri et al] 1990;24:354 (Case report)

scalp reconstruction by microvascular free tissue transfer [Furnas et al] 1990;24:431

treatment of the concrete scalp donor site [Engrav et al] 1990;24:162

**Scapula**

anatomy of the subscapular artery and its effects on flap design in the rabbit [Angel et al] 1990;24:152

**Scleroderma, systemic**

treatment of orthognathic problems related to scleroderma [Thaller and Kawamoto] 1990;24:528 (Case report)

**Scrotum**

scrotal reconstruction following Fournier's gangrene using the medial thigh fasciocutaneous flap [Hallock] 1990; 24:86 (Case report)

scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990;24:49 (Case report)

**Shoulder**

massive foreign body impalement of the shoulder and chest wall [Rose] 1990;24:451 (Case report)

**Silicones**

evaluation of porous polyethylene for external ear reconstruction [Shanbhag et al] 1990;24:32

intraluminal cyclosporine A reduces capsular thickness around silicone implants in rats [Stark et al] 1990; 24:156

in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

submalar augmentation: a procedure to enhance rhytidectomy [Binder] 1990;24:200

textured silicone and capsule contracture [Caffee] 1990; 24:197

**Skin, transplantation. See also Flaps, skin**

enhancement of expansion of guinea pig skin by local delivery of an anticontractile agent using a new bilumen expander [Matt et al] 1990;24:335

**Skin, transplantation (continued)**

- nylon threads used as drains in free skin grafting [Nakayama and Soeda] 1990;24:91 (Gadgetry)
- re: Kaplan: a quick stapler tie-over fixation for skin grafts [Stein] 1990;24:98 (Letter)
- treatment of tattoos with pure epidermal sheet grafting [Hosokawa et al] 1990;24:53 (Case report)
- treatment of the concrete scalp donor site [Engrav et al] 1990;24:162

**Skin ulcer**

- buried inferiorly based gluteus maximus musculocutaneous flap for reconstruction of large, recurrent ischiopubic pressure sores [Wey et al] 1990;24:283 (Case report)
- effects of ischemia on ulcer wound healing: a new model in the rabbit ear [Ahn and Mustoe] 1990;24:17
- injection of illicit drugs into the granulation tissue of chronic ulcers [Abidin et al] 1990;24:268 (Case report)

**Skull**

- infection following cranial bone grafting—a need for caution? [Lewis Jr et al] 1990;24:276 (Case report)

**Soaps**

- toxicity of cleaning agents for removal of grease from wounds [Thompson et al] 1990;24:40

**Staphylococcus aureus**

- in vitro adherence of bacteria to prosthetic grafting materials [Brewer and Stromberg] 1990;24:134

**Stapler**

- re: Kaplan: a quick stapler tie-over fixation for skin grafts [Stein] 1990;24:98 (Letter)

**Steroids**

- fate of soluble steroids within breast prostheses in humans [Morykwas et al] 1990;24:427

**Subcutaneous flaps. See Flaps, subcutaneous**

**Substance abuse**

- injection of illicit drugs into the granulation tissue of chronic ulcers [Abidin et al] 1990;24:268 (Case report)

**Suction**

- simple suction drainage: an adjunct to septal surgery [Caraway and Mellow] 1990;24:191 (Gadgetry)

**Suction lipectomy. See Lipectomy**

**Superoxide dismutase**

- pH-balanced solutions with superoxide dismutase (SOD): an attempt to increase island groin flap survival in rats [Sagi et al] 1990;24:521

**Suprapopliteal flap. See Flaps, arterial**

**Tattooing**

- treatment of tattoos with pure epidermal sheet grafting [Hosokawa et al] 1990;24:53 (Case report)

**Temporal arteries**

- avulsion of the scalp: which one is the best artery for anastomosis? [Sakai et al] 1990;24:350 (Case report)

**Theophylline**

- enhancement of expansion of guinea pig skin by local delivery of an anticontractile agent using a new bilumen expander [Matt et al] 1990;24:335

**Thoracic nerves**

- lesion of the long thoracic nerve during transaxillary breast augmentation: an unusual complication [Laban and Kon] 1990;24:445 (Case report)

**Thorax, injuries**

- massive foreign body impalement of the shoulder and chest wall [Rose] 1990;24:451 (Case report)

**Tibial fractures**

- microvascular soft tissue reconstruction for acute tibial fractures—late complications and the role of bone grafting [Peat and Liggins] 1990;24:517

**Tissue expansion**

- enhancement of expansion of guinea pig skin by local delivery of an anticontractile agent using a new bilumen expander [Matt et al] 1990;24:335

- technique for valve placement in breast reconstruction using tissue expanders [Paul] 1990;24:378 (Gadgetry)

**Tissue perfusion. See Perfusion**

**Tissue survival. See Graft survival**

**Tourniquets**

- susceptibility to tourniquet-induced radial palsy in the presence of previous humeral fracture [Kurihara and Goto] 1990;24:346 (Case report)

**Transplantation, autologous**

- syringe aspiration and fat concentration: a simple technique for autologous fat injection [Carraway and Mellow]; (invited comment) [Ellenbogen] 1990;24:293 (Case report)

**Transplantation, heterologous**

- enhancement of expansion of guinea pig skin by local delivery of an anticontractile agent using a new bilumen expander [Matt et al] 1990;24:335

**Tumors. See Neoplasms**

**Turner's syndrome**

- treatment of webbed neck in Turner's syndrome with tissue expansion [Miller et al] 1990;24:447 (Case report)

**Urethra**

- dartos musculocutaneous island flap in urethral reconstruction [Kenney et al] 1990;24:63 (Case report)

**Urethral fistula. See Urinary fistula**

**Urinary fistula**

- scrotal septocutaneous island flap for the reconstruction of the urethral fistula [Sakai et al] 1990;24:49 (Case report)

**Vascular diseases**

- pedicled free flaps: indications in complex reconstruction [Brennan et al] 1990;24:420

**Vascular surgery**

- washout of vessels with heparin does not improve patency following severe microarterial trauma: an experimental study [Wieslander and Dougan] 1990;24:216

**Veins, transplantation**

- use of vein-patch angioplasty in microvascular tissue transfers [Chowdary et al] 1990;24:289 (Case report)

**V-Y advancement flap. See Flaps, subcutaneous**

**Webbed neck.** *See Neck, abnormalities*

**Wound healing**

effects of ischemia on ulcer wound healing: a new model in the rabbit ear [Ahn and Mustoe] 1990;24:17

toxicity of cleaning agents for removal of grease from wounds [Thompson et al] 1990;24:40

**Wounds, penetrating**

massive foreign body impalement of the shoulder and chest wall [Rose] 1990;24:451 (Case report)

simple technique for removal of a sharp, notched, impaled instrument [Gajiwala] 1990;24:96 (Gadgetry)

**Xeroderma pigmentosum**

growth and adherence of xeroderma pigmentosum keratinocytes in vitro [Morykwas et al] 1990;24:342

**YAG laser.** *See Laser surgery*

**Zygoma**

submalar augmentation: a procedure to enhance rhytidectomy [Binder] 1990;24:200
